COMMUNICATIONS, PETITIONS AND CLAIMS

Proposal to vary for Mr. and Mrs. James Wroblewski, 7404 Dartworth Dr., 44129, PPN 449-05-122, for an area variance of PCO Section 1185.05(d) -Height Regulations -Height District Exceptions. The proposal is to build a new garage higher in height than Code permits. Code states that an accessory building in residential districts shall not exceed 15 feet in height at the highest point of the roof nor more than 1 story. The proposed height is 16' 3" with loft. The variance would result in 1'3" more than permitted. After discussion, the Board of Zoning Appeals voted to grant the variance.

Mr. Germana - Said variance shall be referred to the Planning Committee.

Proposal to vary for Kelly Pollock, 4300 Walter Avenue, 44134, PPN 444-02-005, for an area variance of PCO Section 1187.01(a) - Area Regulations - Area District Regulations. The proposal is for a lot split of PPN 444-02-005 - Parcel A and Parcel B and each parcel will have one of the two existing dwellings at 4300-4302 Walter Avenue. Minimum lot size is 15,000 sq. ft. and 75' x 200' without sanitary sewer. The proposed lot size of Parcel A is 11,747 sq. ft. and 50' x 150'. The proposed lot size of Parcel B is 9,754 sq. ft. and 120. x 98'. After discussion, the Board of Zoning Appeals voted to grant the lot split variances.

Mr. Germana - Said lot split shall be referred to the Planning Committee.

Proposal to vary for Kelly Pollock, 4300 Walter Avenue, 44134, PPN 444-02-005, for an area variance of PCO Section 1191.01 - Rear Yards - Residence Districts. The proposal is for a lot split: Parcel A and Parcel B of the above PPN. Code requires in a residence district, every main building shall have a rear yard the depth of which shall not be less than 15% of the depth of the lot, not less than 10'. Parcel A would have a 5.6' rear yard which is 17.4' less than Code requires. The lot split must be recorded in the County Recorder's records once the sanitary sewer easement is going to be placed. After discussion, the Board of Zoning Appeals voted to grant the lot split variance.

Mr. Germana - Said lot split shall be referred to the Planning Committee.

The 2006 Annual Report of the Treasurer's Office was received and copies are on file for public inspection in the City Council Office.

PUBLIC COMMENT

No one wished to comment.

MISCELLEANOUS

Mayor DePiero - Thanked everyone for the passage of Res. No. 106-07, 48-07, 50-07. Received word from the State of the Ohio that the jails are 100% in compliance for the third year in a row. Public Housing Dept. has scored in the top 3% of the country in compliance.

Safety Director – Reminded everyone of the Safety Fair this weekend. Gave a highlight of the fair's events.

Service Director – Stated that everyone should get a list of street repairs in their wards by the end of the week. Would like to get 50 catch basins fixed. There is a 30% increase expected in asphalt this year.

Councilman Napoli – I want to thank the administration and also Councilman Brennan for 104-07. It is definitively nice to have a tool that is going to help us hopefully get rid of a lot of these areas that are really eye sores to our Ward, our community and bring down a lot of property values in our area. Wished Martin Drabek well as he learned he is hospitalized.

Councilman Ramser – No comment.

Councilman Regas – No comment.

Councilman Tuma – I want to thank my fellow Council members and Mayor DePiero for their support of Resolution No. 106-07 and also to Councilman Brennan for bringing up 104-07. It is ironic, I was just talking with Don Graves about another situation in the City and hopefully the more laws like this that come along, the easier it will be for everybody and help get some of these houses back in good shape. Congratulated the high standard of quality of our local jail and they must be doing a great job over there. I congratulate Councilman Ramser on his birthday.

Councilman Brennan – First of all, we have been doing the walking on Issue 12 the last few weeks. I have been walking the neighborhoods I have also been visiting the homes that are in my Ward that we get on the daily Police reports. Time and again, the folks tell me how quickly they got there, how professionally they acted. It just goes to show you despite our low man power, how they are able to prioritize. It is incredible. What I find interesting, however, is that there was one home where a snow blower was stolen about 3 weeks ago and when I went to the home, no one was home yet, the garage door was open. I want to commend our Senior Center Director for putting together a very informative brochure with regard to our Senior Center. I wanted to point out that yesterday was the deadline for applying for the City of Parma Andrew Boyko Memorial Scholarship. So, we are going to get underway with putting together our selection committee and awarding those \$1,500 Scholarships very soon.

Councilman Celebrezze – I would just like to thank my colleagues for their support for adding their name to Resolution No. 91-07. It is a travesty how much the federal government is cutting our social programs and our funding for these programs and my hope is that other Cities take our lead on this and collectively we draw our line in the sand for the federal government to stop cutting these programs.

I would like to congratulate all of our Ward recipients, especially Andy and Marko.

Councilman Day – I just wanted to wish Safety Director Baeppler a Happy April 16th as today ends the Winter Parking Ban and I know that is something we have been dealing with for a while. In all seriousness, it is something we all have issues with in our Wards and something we have learned is that we don't have the staffing to get out there and maybe address some of these issues that are still our laws and our ordinances, but we have obviously other things going on. Safety Director, I really appreciate you working with us during that Winter Ban, because we do get a lot of complaints from people that want it enforced. Hopefully, with the Police Levy coming forward maybe we can be in a better position to do that.

Councilwoman Galinas – Congratulations again to all the recipients tonight. I have been real involved with the Safety Fair ever since they have started and this one, I think, is going to be huge. I hope we are all prepared and all my colleagues have generously donated time or money or efforts and the administration as well. So, we are going to have a lot of activities. In that area of the Justice Center it is going to be interesting because the tours are going to be going on and it is going to be very active. I don't think people even have seen the Police museum, because if you go there after hours it is closed. We are going to have a combined Ward Meeting and a couple of my colleagues were able to join me, Councilman Brennan and Councilman Regas are going to join and we are going to do that next Saturday the 28th. It is going to be a combined Ward Meeting, but it is also going to be the safety information that many people haven't been able to see the presentation that our Police Chief and our Safety Director and Mayor are able to let people know about.

Councilman Jech – Inquired about signs on poles and the need to have them removed. Second of all, to echo some of Councilman Napoli's words pertaining to Marty Drabek. Marty and I have been bumping heads for about 13 years, and I consider him an honorable adversary and I certainly hope everyone does keep him in his prayers

Mr. Germana – Just wanted to remind members of Council that if you can not make a Council Meeting and we do have a presentation, we do have it on tape.

Secondly, I just want to say that most of you did not know that the City of Parma played host to the Diocesan Legislative Conference this morning at Parmadale. I thank the Mayor for allowing me to attend in your absence.

ADJOURNMENT

Motion made by Councilman Day, seconded by Councilwoman Galinas to adjourn said Council Meeting at 8:30 PM. Motion carried.
